

ELITE COACH

TO GÖTEBORG BEACHVOLLEY CLUB

We are seeking a committed and experienced coach to support our elite players! As a part of our club, you will have the opportunity to take on a crucial role in developing and supporting our top players as we aim to form a team of senior coaches.

Göteborg Beachvolley Club is the biggest beachvolleyball club in Sweden and also the proud owner of Beach Center - the world's largest facility for beachvolleyball located in Kviberg, Gothenburg. The club holds more than 1500 members and has more than 700 persons in training groups/series on a weekly basis. We're running training groups for all levels and ages, from beginners to elite.

The Role

Our elite program ranges from talented juniors to already established elite players. Your main responsibility will be to work with some of our best and most ambitious players and help them to reach their full potential. As a part of an organization and a coaching team, we expect a future colleague to be able to adapt to both individuals and situations, be committed to the task and easily cooperate with colleagues/coaches.

WE BELIEVE YOU HAVE

- Experience of high-level coaching in beachvolleyball/volleyball
- Experience of being a high-level player (meritorious but not a requirement)
- Great communication and people skills
- A self-driven personality, committed and with a dedication to our players
- A positive mindset and that you enjoy collaborating in a team/group

WE OFFER

- A coaching assignment for some of our best and most ambitious players
- A club that wants to contribute to a long-term development of the sport in Sweden
- You will be part of a future coaching team that will work together to develop players and the elite department of the club
- Your employer will be Ipanema Beach AB and holiday compensation and pension provision will be included
